On behalf of the applicant state or unit of local government (including tribal government) named below, I certify the following to the Office of Justice Programs ("OJP"), U.S. Department of Justice:

I have personally read and reviewed the section entitled "Eligibility" in the program announcement for the Recovery Act grant program named above. I also have personally read and reviewed section 1511 of the American Recovery and Reinvestment Act of 2009 (the "Recovery Act"), which requires a specific certification prior to receipt of Recovery Act funds for infrastructure investments.

Initial the statement that applies:

 The applicant identified below **does not intend to use** any portion of any funds received under this Recovery Act grant program for any infrastructure investment. Should this intention change, the applicant will promptly notify OJP, and (except to the extent, if any, that OJP has given prior written approval to expend funds to conduct the review and vetting required by law) will not draw down, obligate, or expend any funds received under this Recovery Act program for any infrastructure investment project until section 1511 of the Recovery Act has been satisfied, and an adequate project-specific certification has been executed, posted, and submitted to OJP.

_____ The applicant identified below **does intend to use** some or all of any funds received under this Recovery Act grant program for one or more infrastructure investment projects. Except to the extent, if any, that OJP has given prior written approval to expend funds to conduct the review and vetting required by law, I agree that the applicant entity will execute, post, and submit to OJP, prior to obligating, expending, or drawing down funds for such project, a project-specific certification that satisfies all of the requirements of section 1511 (including execution by the Governor, mayor, or other chief executive, as appropriate) for each such infrastructure investment project.

Such certification shall include a description of the investment, the estimated total cost, and the amount of covered funds to be used, and shall be posted on a website and linked to the website established by section 1526. A State or local agency may not receive infrastructure investment funding from funds made available in this Act unless this certification is made and posted.

SEC. 1512. REPORTS ON USE OF FUNDS.

(a) SHORT TITLE.—This section may be cited as the “Jobs Accountability Act”.

(b) DEFINITIONS.—In this section:

(1) RECIPIENT.—The term “recipient”—

(A) means any entity that receives recovery funds directly from the Federal Government (including recovery funds received through grant, loan, or contract) other than an individual; and

(B) includes a State that receives recovery funds.

(2) RECOVERY FUNDS.—The term “recovery funds” means any funds that are made available from appropriations made under this Act.

process for organizations includes: (1) Obtaining a Data Universal Numbering System (DUNS) number; (2) Registering your organization with the Central Contractor Registration (CCR) database; and (3) Registering with GMS prior to applying.

The deadline to register is **8:00 p.m. Eastern Time on April 22, 2009.**

A DUNS number is required. All applicants under this solicitation must include a DUNS (Data Universal Numbering System) number in their application. Applications without a DUNS number are incomplete.

A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving Federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, simple, one-time activity. Obtain one by calling 1-866-705-5711 or by applying online at <http://fedgov.dnb.com/webform/displayHomePage.do>.

Central Contractor Registration (CCR) is required. In addition to the DUNS number requirement, OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must update or renew their CCR registration at least once per year to maintain an active status. Information about registration procedures can be accessed at www.ccr.gov.

Deadline: Applications

The due date for applying for funding under this announcement is **8:00 p.m. Eastern Time on April 22.**

Eligibility

Those eligible to apply are limited to local (including county) and tribal law enforcement agencies¹ located in "rural areas," as that term is defined below. In addition, state law enforcement agencies that are from "rural states" or that provide assistance to one or more "rural areas" are eligible to apply.

- (A) "Rural areas"— The term "rural area" means either: (I) a jurisdiction that is not located in a metropolitan statistical area (MSA), as defined by the Office of Management and Budget (www.whitehouse.gov/omb/bulletins/fy2009/09-01.pdf); or (II) any jurisdiction located in an MSA, but in a county or tribal jurisdiction that has a population less than 50,000.

¹ In Alaska, funds awarded through this program to the tribes listed below may not be used for courts or law enforcement officers for a tribe or village, pursuant to Public Law 108-199 § 112(a)(1): (1) tribes in which fewer than 25 Native members live in the village year round; and (2) tribes that are located within the boundaries of the Fairbanks North Star Borough, the Matanuska Susitna Borough, the Municipality of Anchorage, the Kenai Peninsula Borough, the City and Borough of Juneau, the Sitka Borough, or the Ketchikan Borough.

Special rules will apply for independent cities and townships. See the [FAQs](#) for further information.

(B) "Rural states"—The term "rural state" means a state that has a population density of 52 or fewer persons per square mile or a state in which the largest county has fewer than 150,000 people based on the most recent decennial census.

For purposes of this solicitation, state and local law enforcement agencies include state and local prosecutors, parole, probation, and community corrections agencies.

For Category V only (see page 6), applications are solicited from national, regional, state, and local public and private entities, including for-profit (commercial) and nonprofit organizations, institutions of higher education, faith-based and community organizations, tribal jurisdictions, and units of local government to provide training and technical assistance across the nation to qualifying rural areas and rural states as defined above.

See the [FAQs](#) for further information on the solicitation and its requirements

Additional Requirements Related to the Recovery Act (including certification requirements):

Reporting on the Use of Funds. In order to be eligible to receive funds under this solicitation, applicants must certify that they will satisfy the reporting requirements of section 1512(c) of the Recovery Act, which requires detailed reporting (including reporting on subawards) not later than **ten calendar days after the end of each calendar quarter**. Detailed information on section 1512(c) appears below, under "Accountability and Transparency under the Recovery Act." A template for the certification is included in the appendix. Applicants may expect that a standard form and/or standard reporting mechanism will be made available at a future date.

Funding Distribution and Appropriate Use of Funds. Section 1607 of the Recovery Act requires either a certification by the Governor or a concurrent resolution of the state legislature concerning funds distribution and assurance of appropriate use of funds. States may not receive funds under this Recovery Act solicitation unless section 1607 is satisfied. (Refer to the OJP Recovery Act Additional Requirements web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm for the text of section 1607.)

Certification regarding Infrastructure Investments. Pursuant to section 1511 of the Recovery Act, a state or local government (including a federally-recognized Indian tribal government) may not receive funds for an infrastructure investment (for example, construction or major renovation of a correctional facility) unless the Governor, mayor, or other chief executive, as appropriate, certifies that the infrastructure investment has received the full vetting required by law and that the chief executive accepts responsibility that the infrastructure is an appropriate use of taxpayer dollars. The certification must include a description of the infrastructure investment, the estimated total cost, and the amount of Recovery Act funds to be used, and must be posted on a web site that is linked to Recovery.gov. (Refer to the OJP Recovery Act Additional Requirements web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm for the text of section 1511.)

Consistent with section 1511, **all** applicants under this solicitation must complete a "General Certification as to Requirements for Receipt of Funds for Infrastructure Investments," a template for which is included in the appendix. Recipients that are awarded funds for one or more infrastructure investment projects must also submit and post a certification that satisfies section

1511 as to each such specific project prior to obligating, expending, or drawing down funds for such a project. Applicants or recipients that intend to prepare a section 1511 certification should consult the OJP Recovery Act Additional Requirements web page at www.ojp.usdoj.gov/recovery/solicitationrequirements.htm. If a standard form becomes available, OJP will include a notice in the appropriate section of the web page.

Faith-Based and Other Community Organizations: Consistent with Executive Order 13279, dated December 12, 2002, and 28 C.F.R. Part 38, faith-based and other community organizations that statutorily qualify as eligible applicants under DOJ programs are invited and encouraged to apply for assistance awards to fund eligible grant activities. Faith-based and other community organizations will be considered for awards on the same basis as other eligible applicants and, if they receive assistance awards, will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant or grantee will be discriminated for or against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization.

Faith-based organizations receiving DOJ assistance awards retain their independence and do not lose or have to modify their religious identity (e.g., remove religious symbols) to receive assistance awards. DOJ grant funds, however, may not be used to fund any inherently religious activity, such as prayer or worship. Inherently religious activity is permissible, although it cannot occur during an activity funded with DOJ grant funds; rather, such religious activity must be separate in time or place from the DOJ-funded program. Further, participation in such activity by individuals receiving services must be voluntary. Programs funded by DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.

If your organization is a faith-based organization that makes hiring decisions on the basis of religious belief, it may be entitled, under the Religious Freedom Restoration Act, 42 U.S.C. § 2000bb, to receive federal funds and yet maintain that hiring practice, even if the law creating the funding program contains a general ban on religious discrimination in employment. For the circumstances under which this may occur, and the certifications that may be required, please see the section titled, "Funding to Faith-Based Organizations" on the "Other Requirements for OJP Applications" web page at www.ojp.usdoj.gov/funding/other_requirements.htm.

Applicants are also encouraged to review the "Civil Rights Compliance" section on the "Other Requirements for OJP Applications" web page, which can be found at the web address shown above.

American Indian Tribes and Alaska Native Tribes and/or Tribal Organizations: If a grant application is being submitted on behalf of a tribe or tribal organization, a current authorizing resolution of the governing body of the tribal entity or other enactment of the tribal council or comparable government entity authorizing the inclusion of the tribe or tribal organization named in the application must be included with the application.

Assistance to Rural Law Enforcement to Combat Crime and Drugs Program—Specific Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. Applicants also should anticipate that awards under the Recovery Act will be one-time awards and accordingly should propose project activities and deliverables that can be accomplished without additional DOJ funding.
